Response to Amendment

Status of the Claims

1. Acknowledgement of receipt and entry of the amendment filed 18 July, 2002, is hereby made. Claims 57-59 were canceled without prejudice or disclaimer and new claims 65-80 introduced. Claims 46-56 and 60-64 stand withdrawn from further consideration by the examiner, pursuant to 37 C.F.R. § 1.142(b), as being drawn to a non-elected invention.

35 U.S.C. § 112, Second Paragraph

2. The previous rejection of claims 57-59 under 35 U.S.C. § 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention, is moot in view of applicants' amendments.

35 U.S.C. § 112, First Paragraph

3. The following is a quotation of the first paragraph of 35 U.S.C. § 112:

The specification shall contain a written description of the invention, and of the manner and process of making and using it, in such full, clear, concise, and exact terms as to enable any person skilled in the art to which it pertains, or with which it is most nearly connected, to make and use the same and shall set forth the best mode contemplated by the inventor of carrying out his invention.

4. The previous rejection of claims 57-59 under 35 U.S.C. § 112, first paragraph, because the specification does not reasonably enable any person skilled in the art to which it pertains, or with which it is most nearly connected, to make and/or use the invention commensurate in scope with these claims, is moot in view of applicants' amendments.

Allowable Subject Matter

5. Claims 65-80 appear to be free of the prior art and are allowable.

Ex parte Quayle

6. This application is in condition for allowance except for the following formalities: non-elected claims 46-56 and 60-64 are still pending in the instant application. A complete response to this Office action must include cancellation of all non-elected claims or other appropriate action (refer to 37 C.F.R. § 1.144 and M.P.E.P. § 821.01). Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213. A shortened statutory period for reply to this action is set to expire TWO MONTHS from the mailing date of this action.
